POMODORO

b. h. 2008 by Jet Master – Golden Apple by Northern Guest

“A South African Derby winner with the speed to capture graded stakes at 1450m, Pomodoro is the leading son at stud of the sensational Jet Master.

Pomodoro is a winner of 8 races, 3,761,375 Rands, including South African Derby (G1), Durban July (G1), Tony Ruffel Stakes (G3), KZN Betting World Guineas Trial, etc. second South African Classic (G1), third Queen’s Plate (G1), Rising Sun Gold Challenge (G1), President’s Champions Challenge (G1), etc.

Pomodoro is by Horse of the Year, Champion Miler, Champion Sprinter Jet Master, winner of 17 races, including Queen’s Plate (G1), twice, Cape Argus Guineas (G1), Mercury Sprint (G1), Gold Spur (G1), twice, Nissan Challenge (G1), Cape Flying Championship (G1), Keith Hepburn Champion Stakes (G2), Hawaii Stakes (G2), Kwazulu-Natal Breeders’ Championship, etc. Champion Sire four times, Jet Master is sire of 67 stakes winners, including Champions J J the Jet Plane, Pocket Power, Lizarre, Past Master and Mythical Flight, other grade one winners Pomodoro, Ebony Flyer, Yorker, In The Fast Lane, Thunder Dance, River Jetez, Floatyourboat, Soft Landing, Viva Maria, Love Is In The Air, All Afire, Ravishing, Gluweein, Little Miss Magic, etc.

Pomodoro is half-brother to grade two winner Golden Chariot, stakes winner Quest For Gold. The dam, Golden Apple, won the Gosforth Park Fillies’ Guineas (G2). Her dam graded stakes placed, Avergold, is half-sister to graded placed Abie Cee, and to Applemania (dam of graded stakes winner Apple-A-Day). The third dam, Apples of Gold, is half-sister to grade two winner Eve’s Error.

Pomodoro is a half-brother to Quest For Gold, a stakes winning daughter of **Jallad**. That horse is by **Blushing Groom**, and Rakeen/Jet Master has been prolific with **Blushing Groom**. This including grade one winners Gluweein and North By Northwest out of mares by **Our Casey’s Boy**, a graded stakes winner out of a mare by **Jallad**, and stakes winners out of mares by **Comic Blush** and **Candy Ride**, and this strain could also be introduced through **Spectrum** and **Kabool**. It would also be interesting to introduce **Blushing Groom** through **Rahy**, a half-brother to Rakeen, and he might be found through **Noverre** or **Fantastic Light**, both of whom shuttled to the Southern Hemisphere.

Jet Master’s broodmare sire, Rollins, is out of a sister to **Roberto**, and Jet Master has five stakes winners from 46 starters out of **Roberto** line mares. This including four stakes winners, among them grade one winners Little Miss Magic and Yorker out of mares by **AI**

Mufti, who is sire of **Captain AI** (who gives linebreeding to Buckpasser and his family), **Victory Moon** (interesting as he is something a reverse cross to Jet Master, and has Dancing Champ, a parallel Northern Dancer/Tom Fool cross to Northern Guest) and **Cataloochie**. There is also a stakes winner by Jet Master out of a mare by **Into the Sun** (a close relative to **Dynaformer**). Other potential sources of **Roberto** including **Shuailaan** (a close relative to Al Mufti), **Labeeb** (by **Lear Fan**). It would also be worth considering **Red Ransom** – who is a reverse cross to Rollins, the broodmare sire of Jet Master – and sons, including sons that have stood in Australia such as **Domesday** (who is from the family of Pomodoro's broodmare sire), **Charge Forward**, **Sri Pekan** and **Red Clubs**.

Roberto is a **Turn-To** line horse, and via the **Sir Ivor/Sir Tristram** branch of that line, both Jet Master and Rakeen have sired graded stakes winners out of mares by **Zabeel**. In South Africa that line could be brought in through **Grey's Inn**, a son of **Zabeel**. This cross is generally going to give distance horses, but could also be tried through **Lonhro** (who may give a little more speed), **Niello**, **Octagonal**, **Reset**, **Denman** and **Savabeel**. It may also be worth considering the **Halo** branch of **Turn-to** through **Southern Halo** (a reverse cross to Rakeen), and his son, **More Than Ready**.

Pomodoro is inbred 3 x 3 to Northern Dancer through the male-line of the sire and the dam, but two prominent sires, Exceed and Excel and Rock of Gibraltar, have an identical pattern, and they have sired more than 60 other stakes winners when crossed back over **Northern Dancer** line stallions, so one would not be afraid to test Pomodoro over mares from that line.

Jet Master has been good with mares from the **Lyphard** branch of **Northern Dancer**, getting six stakes winners on the cross, five out of mares by **Elliodor** (sire of **Model Man**) and one by **Concertino**.

Rakeen is a three-quarters brother to Singspiel, a son of **Sadler's Wells**, and Jet Master is sire of two stakes winners, including grade one winner Thunder Dance, out of a mare by **Fort Wood**, a son of **Sadler's Wells**. It would also be possible to consider mares by **Fort Wood** sons **Dynasty** and **Whistling Wood**, and **Sadler's Wells** through **Casey Tibbs**, **Dolpour**, **Braashee** and **Doowaley**. Of **Sadler's Wells** line stallions that have stood in Australia, we could note **Singspiel** (giving inbreeding to Champion Glorious Song), **Galileo**, **Carnegie**, **Montjeu** and **Barathea**. This also suggests considering mares by Sadler's Wells's brother, **Fairy King**, who might be brought in through **Tara's Halls**, **Anytime**, **Second Empire**, **Almushtarak** and **Encosta de Lago**. **Nureyev** is a three-quarters brother to Sadler's Wells and Fairy King, and his son, **Caesour**, is sire of graded stakes winners Golden Chariot out of the dam of Pomodoro. Other sources of **Nureyev** that could be tried are **Wolfhound** (a Northern

Dancer/Buckpasser cross, like Northern Guest), **Russian Revival** and **Spinning World**, who is from the same family as Northern Guest.

Jet Master is sire of grade two winner Razzle Dazzle Rose out of a mare by **Northern Dancer** grandson, **Last Tycoon**, who is particularly interesting here as he is by **Try My Best**, a brother to Northern Guest, the broodmare sire of Pomodoro. Similarly, **Cordoba**, who is by Try My Best's brother, **El Gran Senor**, could also prove positive.

There is also a Jet Master stakes winner out of a mare by **Royal Academy** (sire of the Australian stallion, **Bel Esprit**). **Nijinsky II** might also be brought in through **Dancing Champ** (a parallel cross to Northern Guest), **Caerleon** and **Silvano**. It might also be interesting to try the **Storm Cat** branch through **Giant's Causeway** and his son, **Shamardal**, Jet Master and Giant's Causeway both combining Northern Dancer/Glorious Song and the sister/brother Glorious Spring/Roberto. **Northern Dancer** via **Rambo Dancer** has also produced the dam of a Jet Master stakes winner.

Jet Master has sired grade one winner Past Master out of a mare by **Western Winter** (by **Gone West**), and Rakeen has a graded stakes winner out of a mare by the same horse. **Western Winter** is a grandson of **Mr. Prospector**, and there is also a Jet Master stakes winner out of a mare by **Mutakddim**, who is by the **Mr. Prospector** horse, **Seeking the Gold** (also sire of **Lecture**, **Windrush** and of **Dubawi**, who stood in Australia and might fit well here). With Pomodoro's close inbreeding to Northern Dancer, it might also be worth trying **Machiavellian**, who is free of Northern Dancer, gives a double of Halo, and goes back to a half-sister to Northern Dancer. He is sire of **Kahal**, **Street Cry** (sire of **Street Sense**), **Right Approach** and **Vettori**.

With Pomodoro's close inbreeding to Northern Dancer, it might also be worth trying **Machiavellian**, who is free of Northern Dancer, gives a double of Halo, and goes back to a half-sister to Northern Dancer. He is sire of **Kahal**, **Street Cry** (sire of **Street Sense**), **Right Approach** and **Vettori**.

Mr. Prospector is by **Raise a Native**, and another **Raise a Native** branch that has worked her is **Alydar** via **Centenary**, and this strain might also be introduced via **Houston Connection**. There is also a grade three winner by Jet Master out of a mare by **Argosy** (by **Affirmed**, a grandson of **Raise a Native**) and from the **Majestic Prince/Majestic Light**, branch Jet Master sired grade one winner Alamanda out of a mare by **Coastal**. Another branch of **Native Dancer**, the sire of **Raise a Native** is that of **Sharpen Up**. That branch has also well under Jet Master producing stakes winners out of mares by **Icelandic** (by **Kris**) and **Sharp Romance**, and **Fine Edge** would be another source.

Jet Master demonstrated a strong affinity for stallions from the **Bold Ruler** line with two stakes winners, including grade one winner Love Is In The Air out of a mare by **Jungle Cove** (sire of **Bush Telegraph**; grandsire of **London News** and **Crimson Waves**), two graded stakes winners out of mares by **Complete Warrior** (who should be very good here on pedigree, and is sire of **Counter Action**), and one out of a mare by **Flaming Rock** (by **Ballad Rock**, and from the family of Averof, the sire of the second dam of Pomodoro).

Jet Master sired grade one winner Soft Landing and Stratos out of mares by **Golden Thatch** (sire of **Goldmark**, himself broodmare sire of a Jet Master stakes winner). **Golden Thatch** is also sire of **Noble Thatch**, and is a brother to **Waterville Lake** and **Thatching**. Jet Master also has grad one winner Master Plan out of a mare by **Royal Chalice**, and two stakes winners, including grade one winner Ravishing out of mares by that horse's sire, **Royal Prerogative**; he has grade one winners Pocket Power and River Jetez, out of a mare by **Prince Florimund**; he has three graded stakes winners, two grade one, out of a mares by **Badger Land** (sire of **Badger's Drift**); he has sired grade one winner Mythical Flight out of a mare by **Harry Hotspur**.

POMODORO – SUMMARY

Pomodoro is a little unusual in that although both his sire and grandsire were outstanding stallions, neither have yet founded a sire line (in fact Pomodoro is the leading member of the male-line at stud). Similarly, several of the broodmare sires that Jet Master and Rakeen excelled with, also did not leave many major stallions sons, thus the success full crosses that they enjoyed with mares by such as Harry Hotspur, Prince Florimund, Jungle Cove and Complete Warrior are hard to replicate.

We'll also note that Pomodoro is inbred 3 x 3 to Northern Dancer through the sire line of the sire and the dam. In a broad sense, the pattern of inbreeding relatively closely where the inbreeding is through the sire line of the sire, and the sire line of the dam tends to underperform, but Jet Master sired five stakes winners from only 22 starters out of Northern Guest mares (nearly 23% stakes winners to starters). Three of these were grade one winners, and the trio demonstrated a wide range of aptitudes from the pure sprinter, J J The Jet Plane, through In The Fast Lane, a grade one winner at 2000m, to Pomodoro, a classic winner at 2450m. The double of Northern Dancer 3 x 3 should not inhibit crossing Pomodoro back over mares by Northern Dancer line horses, especially those by grandsons or great-grandsons of Northern Dancer (even as close as 4 x 4 x 4, which a mare by a grandson of Northern Dancer would give, there are at least 40 stakes winners, mostly by two very successful sires, Exceed and Excel and Rock of Gibraltar).

Although Pomodoro seemed best at middle-distances, he did have enough speed to win a graded stakes at 1450 m, and a handicap at 1160m as a mature horse. The best runners out of his dam all won at up to 2000m, but the dam herself, was faster, her wins coming at 1300m to 1700m. Genetically, Pomodoro is probably a somewhat intermediate type, and is probably going to be primarily a sire of middle-distance runners, and from some of the strains that might suit, he is likely to get a high-proportion of horses that will be 2400m types.

Looking at what are the potentially very best crosses for Pomodoro, we can note:

Among the still active strains that have worked under Jet Master, **Blushing Groom** stands out, and there is a **Jallad** stakes winning half-sister to Pomodoro.

The Jet Master cross with **Roberto** line mares, giving Roberto and a sister has a better than 10% stakes winners to starters strike-rate. **Al Mufti's** strike-rate is not exceptional, but the quality has been very good, and **Captain Al** and **Victory Moon** have strains that make them

particularly interesting. Most other **Roberto** should be positive, and **Red Ransom**, who is a reverse cross to Rollins, the broodmare sire of Jet Master looks very interesting.

Zabeel (sire of **Grey's Inn**) has worked under both Jet Master and Rakeen, but is likely to produce a lot of stamina, unless through a fast source such as **Lonhro**.

Southern Halo is in the dam of a Jet Master stakes winner, and should be good through **More Than Ready**.

From the **Northern Dancer** line, **Lyphard** was outstanding with Jet Master, particularly **Elliador**. We can note that **Sadler's Wells** is a parallel Northern Dancer/Hail to Reason cross to Rakeen. He is mostly going to be a stamina influence, but he has worked both with the family of Rakeen (producing **Singspiel**) and under Jet Master, through **Fort Wood**. **Fairy King** is obviously a product of the same cross as **Sadler's Wells**. There is also a stakes winner out of the dam of Pomodoro by **Caesour**, who is by **Nureyev**, a three-quarters brother to **Sadler's Wells/Fairy King**.

Last Tycoon is broodmare sire of a Jet Master graded stakes winner, and he is interesting here, as he would bring together the brothers Northern Guest and Try My Best. **Cordoba** would bring together brothers Northern Guest and El Gran Senor.

The evidence for Rakeen/Jet Master with **Mr. Prospector** is very limited, the only stakes winners from the cross being out of daughters of **Western Winter** and **Mutakddim** (by **Seeking the Gold** (also sire of **Lecture**, **Windrush** and of **Dubawi**, who stood in Australia and might fit well here). With Pomodoro's close inbreeding to Northern Dancer, it might also be worth trying **Machiavellian**, who is free of Northern Dancer, gives a double of Halo, and goes back to a half-sister to Northern Dancer. He is sire of **Kahal**, **Street Cry** (sire of **Street Sense**), **Right Approach** and **Vettori**.

From the **Bold Ruler** line, **Complete Warrior**, **Jungle Cove** and **Flaming Rock** all look very positive influences.
